

BARRICADE TAPES

- A fast and effective way to restrict entry to hazardous areas
- Made of 2-mil. standard grade polyethylene
- Ideal for both indoor and temporary outdoor usage
- Rolls are 3" x 1000'

TAPE DISPENSER

- Tape dispenser holds 1000' barricade tape
- Dispense tape with ease
- Easy to load

Tapes & Markers

3M™ SAFETY WALK™ ANTI-SLIP TAPE

The 3M™ Safety-Walk™ slip resistant material requires minimum maintenance and helps prevent costly slips and falls on wet or dry surfaces. Excellent for both indoors and outdoors, even around water, oil, grease or chemicals. Constructed with a strong adhesive backing for easy installation and immediate traffic. These materials are made from either textured polymers or hard mineral products. **Not recommended for tile grouting.**

THREE GRADES AVAILABLE:

General Purpose Material: Diamond-hard mineral top surface is ideal for use on smooth non-porous surfaces, including heavy traffic and work areas, stairs, ladders, ramps, loading docks, heavy equipment and vehicles. Available in rolls and pre-cut pieces. Colours: Black and safety yellow.

Conformable Material: Mineral coated anti-slip material with aluminum backing for uneven hazardous surfaces. Conforms to irregular surfaces and around corners. Use on diamond tread safety plates, steps, ladder rungs, equipment, vehicles and other irregular surfaces. Available in rolls and pre-cut pieces. Colours: Black and safety yellow.

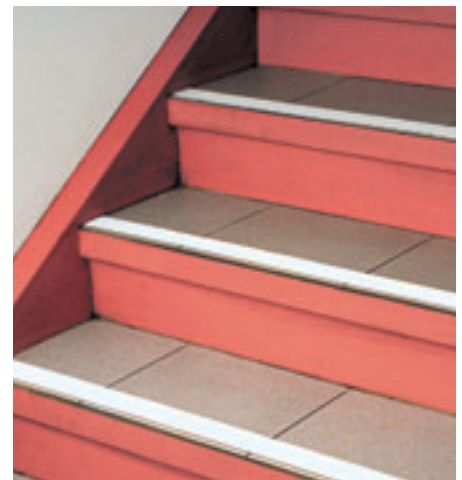

Resilient Material: The feel of rubber with unusual durability. Available in medium or fine grade.

Medium grade for medium traffic areas like entryways, locker rooms and recreation equipment. Rolls 60' long and pre-cut pieces 6" x 24". Colours: Black and grey.

Fine grade is used in barefoot and light traffic areas such as shower rooms. Durable adhesive backing sticks at a touch. Available in rolls and 50 per package, 3/4" x 17" strips. Colours: White and clear.

SAFETY TAPE

HEAVY-DUTY CLEAR SURFACE PROTECTION INSURES LONGER WEAR & PROVIDES HIGH VISIBILITY

Safety hazard identification tapes call attention to a variety of possible workplace hazards. Clearly identify those potential hazards with durable, brightly coloured, pressure sensitive, Warning Stripe designed safety tapes. Fast, clean and flexible, designed to be used indoors and outdoors. Surface must be clean and dry before applying. Use on machinery, fork trucks, warehouse racking, doorways, floor markings or to highlight protection posts as well as hazardous objects.

All rolls are 36 yards. Special sizes are available. Inquire about Checkerboard Tapes.

ANTI-SKID TAPE & CLEATS

Provides a sure footing on stairs, ladders, fork trucks and any area where slipping can occur. Tough and durable adhesive backed tape can easily be installed in seconds to any clean, dry, oil-free surface including metal, wood and concrete. Used indoors or outdoors, rolls are 20 yards in length. For common applications pre-cut cleats are available. Colours are black or clear for areas of high personnel traffic such as hospitals, schools, labs, etc.

Cleats sold per package.
